PROFILE

Passionate Front-End Developer with expertise in React, Vue.js, dedicated to delivering innovative and user-friendly web applications.

EXPERIENCE

REACT WEB DEVELOPER & DEPLOYMENT SPECIALIST

Freelance, Delhi

Aug 2022 - Present

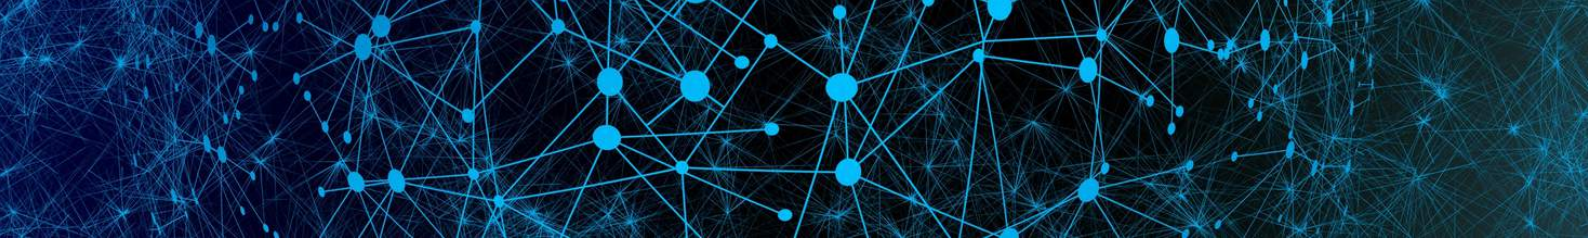

- Created and managed several single-page applications with React.
- This project encompassed components like project dashboards, task management, team collaboration features, resource allocation, time tracking, and advanced reporting and analytics.

PROJECT DESCRIPTION:

I also played a key role in integrating responsive design for various devices and collaborated with back-end teams for seamless RESTful API integration.

PROJECT DETAILS:

As a Freelance React Developer, I specialized in developing and deploying dynamic web applications using React. My expertise includes crafting responsive UI components, integrating APIs, and managing state with Redux. I successfully delivered high-quality, scalable solutions, optimizing for performance and user experience.
